

**High Tension News**  
**Special Edition**  
June 17, 2020

On behalf of the High Tension News team, we would like to give a very big **THANK YOU** to those of you who have been working during this challenging time. The long hours and stress from work, while thoughts of keeping your family safe are not going unnoticed. You have excelled at being able to put those thoughts on the back burner to serve your patients.

You have shown all of us what a Radiologic Technologist does in the time of crisis and what our profession can and does do! **WE SALUTE YOU!!!**

The other item I would like to address is MSRT membership and volunteering. Attached is a membership form and volunteer form. We need you as a member but more importantly as a volunteer. This organization will grow stronger with you in the picture.

Please visit our website: <https://mnsrt.wildapricot.org/> for information on membership and volunteer opportunities; if you have questions please feel free to reach out to President Scott Haglund [scotthaglund@gmail.com](mailto:scotthaglund@gmail.com) or President-Elect Jill Lucas [jluca604@gmail.com](mailto:jluca604@gmail.com)
